

Dear Overseas Plaintiffs of the Lawsuit against the Nuclear Reactor Suppliers,

On January 24, 2019, the Supreme Court sent the final decision to the attorney's office. It was a dismissal of our appeal. Because of the three-trial system, we cannot go further to the higher court; it means that the judicial contest is over.

We held the 4th general assembly of the plaintiffs and the group of attorneys on June 15, 2019. We inform you our decision that the plaintiffs' organization will be dissolved on July 31, 2019.

The following is the statement of the plaintiffs and the group of attorneys of the lawsuit against the nuclear reactor suppliers. We had a press conference to make the statement public on Jan. 30.

We will keep our homepage for ten years from now on. And we want to share information on the website if we have any further ideas to go together. Please visit the website from time to time.
